\*Mandatory sinking fund redemption dates

The bonds shall be dated May 1, 1997 and shall be issuable only as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. Unless

the City shall otherwise direct, the bonds shall be numbered from 1 upward in order of issuance. Each bond shall have a CUSIP number.

Interest on the bonds shall be payable on November 1, 1997, and semiannually thereafter on May 1 and November 1 of each year. Payment of each installment of interest shall be made to the person in whose name the bond is registered on the registration books of the City maintained by First National Bank of Lawrence County, Walnut Ridge, Arkansas, as Trustee and Paying Agent (the "Trustee"), at the close of business on the fifteenth day of the month (whether or not a business day) next preceding each interest payment date (the "Record Date"), irrespective of any transfer or exchange of any such bond subsequent to such Record Date and prior to such interest payment date.

Each bond shall bear interest from the payment date next preceding the date on which it is authenticated unless it is authenticated on an interest payment date, in which event it shall bear interest from such date, or unless it is authenticated prior to the first interest payment date, in which event it shall bear interest from May 1, 1997, or unless it is authenticated during the period from the Record Date to the next interest payment date, in which case it shall bear interest from such interest payment date, or unless at the time of authentication thereof interest is in default thereon, in which event it shall bear interest from the date to which interest has been paid.

Only such bonds as shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Section 6 hereof (the "Certificate") duly executed by the Trustee shall be entitled to any right or benefit under this Ordinance. No bond shall be valid and obligatory for any purpose unless and until the Certificate shall have been duly executed by the Trustee, and the Certificate upon any such bond shall be conclusive evidence that such bond has been authenticated and delivered under this Ordinance. The Certificate on any bond shall be deemed to have been executed if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the Certificate on all of the bonds.

In case any bond shall become mutilated or be destroyed or lost, the City shall, if not then prohibited by law, cause to be executed and the Trustee may authenticate and deliver a new bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated bond, or in lieu of and in substitution for such bond destroyed or lost, upon the owner paying the reasonable expenses and charges of the City and Trustee in connection therewith, and, in the case of a bond destroyed or lost, his filing with the Trustee evidence satisfactory to it that such bond was destroyed or lost, and of his ownership thereof, and

furnishing the City and Trustee with indemnity satisfactory to them. The Trustee is hereby authorized to authenticate any such new bond. In the event any such bond shall have matured, instead of issuing a new bond, the City may pay the same without the surrender thereof. Upon the issuance of a new bond under this Section, the City may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

The City shall cause books for the registration and for the transfer of the bonds as provided herein and in the bonds. The Trustee shall act as the bond registrar. Each bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered bond or bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any bond for the privilege of transfer or exchange, but any owner of any bond requesting any such transfer or exchange shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. The City shall not be required to transfer or exchange any bonds selected for redemption in whole or in part.

The person in whose name any bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of any bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the bonds or the date fixed for redemption of any bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Section 5. The bonds shall be executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Recorder and shall have impressed or imprinted thereon the seal of the City. The bonds, together with interest thereon, are secured by and are payable solely from revenues derived from the System ("Revenues") which are hereby pledged and mortgaged for the equal and ratable payment of the bonds. The pledge of Revenues in favor of the bonds shall be on a parity with the pledge in favor of the 1993 Bonds and the 1996 Bonds, but subordinate to the pledge in favor of the 1964 Bonds. The bonds and interest thereon shall not constitute an indebtedness of the city within any constitutional or statutory limitation.

Section 6. The bonds and the Certificate shall be in substantially the following form and the Mayor and City Recorder are hereby expressly authorized and directed to make all recitals contained therein:

Payment of each installment of interest shall be made to the person in whose name this bond is registered on the registration books of the City maintained by the Trustee at the close of business on the fifteenth day of the month (whether or not a business day) next preceding each interest payment date (the "Record Date"), irrespective of any transfer or exchange of this bond subsequent to such Record Date and prior to such interest payment date.

This bond shall bear interest from the payment date next preceding the date on which it is authenticated unless it is authenticated on an interest payment date, in which event it shall bear interest from such date, or unless it is authenticated prior to the first interest payment date, in which event it shall bear interest from the Dated Date shown above, or unless it is authenticated during the period from the Record Date to the next interest payment date, in which case it shall bear interest from such interest payment date, or unless at the time of authentication hereof interest is in default hereon, in which event it shall bear interest from the date to which interest has been paid.

This bond is one of an issue of City of Clinton, Arkansas Water and Sewer Revenue Bonds, Series 1997, aggregating One Million Seven Hundred Eighty-Five Thousand Dollars (\$1,785,000) in principal amount (the "bonds"), and is issued for the purpose of financing of the costs of the acquisition, construction and equipping of extensions, betterments and improvements to the City's water facilities, paying necessary expenses incidental thereto and to the authorization and issuance of the bonds, and funding a debt service reserve.

The bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 234, Subchapter 2, and Title 14, Chapter 235, Subchapter 2 of the Arkansas Code of 1987 Annotated and applicable decisions of the Supreme Court of Arkansas, including particularly City of Harrison v. within any constitutional or statutory limitation. The bonds are not general obligations of the City, but are special obligations payable solely from the revenues derived from the operation of the City's water and sewer (combined) system (the "System"). The pledge of System revenues to the payment of the bonds is on a parity with the pledge in favor of the City's Water and Sewer Refunding Revenue Bonds, Series 1993 (the "1993 Bonds") and Water and Sewer Refunding Revenue Bonds, Series 1996 (the "1996 Bonds"), but is subordinate to the pledge in favor of the City's Water and Sewer System Refunding and Improvement Revenue Bonds, Series 1964. An amount of System revenues sufficient to pay the principal of and interest on the bonds, the 1993 Bonds and the 1996 Bonds has been duly pledged and set aside into the 1971 Water and Sewer Revenue Bond Fund identified in the Authorizing Ordinance. Reference is hereby made to the Authorizing Ordinance for a detailed statement of the terms and conditions upon which the bonds are issued, of the nature and extent of the security for the bonds, and the rights and obligations of the City, the Trustee and the registered owners of the bonds. The City has fixed and has covenanted and agreed to maintain rates for the services of the System which shall be sufficient at all times to provide for the proper and reasonable expenses of operation and maintenance of the System and for the payment of the principal of and interest on the bonds, including Trustee's fees, as the same become due and payable, to establish and maintain a debt service reserve and to make the required deposit for the depreciation of the System.

(REFERENCE IS HEREBY MADE TO FURTHER PROVISIONS OF THIS BOND ON THE REVERSE SIDE HEREOF WHICH HAVE THE SAME EFFECT AS IF SET FORTH IN THIS PLACE.)

THE CITY HAS DESIGNATED THIS BOND AS A "QUALIFIED TAX-EXEMPT OBLIGATION" WITHIN THE MEANING OF SECTION 265 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

IN WITNESS WHEREOF, the City of Clinton, Arkansas has caused this bond to be executed by its Mayor and City Recorder, their facsimile signatures thereunto duly authorized and its corporate seal to be impressed or imprinted on this bond, all as of the Dated Date shown above.

 REVENUE BOND, SERIES 1997

The bonds shall be subject to extraordinary, optional and mandatory sinking fund redemption as follows:

1. The bonds shall be redeemed from proceeds of the bonds which are not needed for the purposes intended, in whole or in part, on any interest payment date, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), at a price equal to the principal amount being redeemed plus accrued interest to the redemption date.
2. The bonds are also subject to redemption at the option of the City on and after May 1, 2002, from funds from any source, in inverse order of maturity (bonds within a maturity to be selected by lot in such manner as the Trustee may determine) in whole at any time or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date.
3. To the extent not previously redeemed, the bonds maturing on May 1, 2017 are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on the dates and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

Bonds Maturing May 1, 2017

<u>Redemption Dates</u>	<u>Principal Amounts</u>	<u>Redemption Dates</u>	<u>Principal Amounts</u>
May 1, 2013	\$115,000	May 1, 2016	\$135,000
May 1, 2014	120,000	May 1, 2017 (maturity)	140,000
May 1, 2015	125,000		

The provisions for mandatory sinking fund redemption of the bonds are subject to the provisions of the Authorizing Ordinance which permit the City to receive credit for bonds previously redeemed or for bonds acquired by the City and surrendered to the Trustee.

In case any outstanding bond is in a denomination greater than \$5,000, each \$5,000 of face value of such bond shall be treated as a separate bond of the denomination of \$5,000.

Notice of redemption identifying the bonds or portions thereof (which shall be \$5,000 or a multiple thereof) to be redeemed shall be given by the Trustee, not less than 30 nor more than 60 days prior to the date fixed for redemption, by mailing a copy of the redemption notice by first class mail, postage prepaid, to all registered owners of bonds to be redeemed. Failure to mail an appropriate notice or any such notice to one or more registered owners of bonds to be redeemed shall not affect the validity of the proceedings for redemption of other bonds as to which notice of redemption is duly given in proper and timely fashion. All such bonds or portions thereof thus called for redemption and for the retirement of which funds are duly provided in accordance with the Authorizing Ordinance prior to the date fixed for redemption will cease to bear interest on such redemption date.

This bond is transferable by the registered owner hereof in person or by his attorney-in-fact duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, and upon surrender and cancellation of this bond. Upon such transfer a new fully registered bond or bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount, will be issued to the transferee in exchange therefor. This bond is issued with the intent that the laws of the State shall govern its construction.

The City and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes, and neither the City nor the Trustee shall be affected by any notice to the contrary.

The bonds are issuable only as fully registered bonds in the denomination of \$5,000, and any integral multiple thereof. Subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, fully registered bonds may be exchanged for a like aggregate principal amount of fully registered bonds of the same maturity of other authorized denominations.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the bonds do exist, have happened and have been performed in due time, form and manner as required by law; that the indebtedness represented by the bonds, together with all obligations of the City, does not exceed any

constitutional or statutory limitation; and that the above referred to revenues pledged to the payment of the principal of and premium, if any, and interest on the bonds as the same become due and payable will be sufficient in amount for that purpose.

This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Authorizing Ordinance until the Certificate of Authentication hereon shall have been signed by the Trustee.

Section 7. Since the bonds are being issued on a parity of security with the 1993 Bonds and the 1996 Bonds, the bonds are to have the benefit of and are to be governed by the 1996 Bond Ordinance and all of the provisions of the 1996 Bond Ordinance (including those incorporated therein by reference), except those provisions clearly inconsistent herewith or inapplicable hereto, including, without limitation, the provisions pertaining to the establishment and charging of rates for services of the System, vacancies in office, the collection, depositing, securing, disbursing, investing and handling of Revenues and funds, the parity bond requirements and the operation, maintenance, insurance and care of the System, are hereby made applicable hereto and are incorporated herein by reference as though fully set forth at this point. The effect of the above covenant shall be to continue the applicable provisions in full force and effect even after the payment of the 1993 Bonds and the 1996 Bonds and until the bonds are paid, or provision made therefor. In this regard, the following funds incorporated into the 1996 Bond Ordinance are hereby confirmed and continued: Water and Sewer System Revenue Fund (the "Revenue Fund"); Water and Sewer System Operation and Maintenance Fund (the "Operation and Maintenance Fund"); Water and Sewer System Revenue Bond Fund (the "Prior Bond Fund"); 1971 Water and Sewer Bond Fund (the "Bond Fund"); and Water and Sewer System Depreciation Fund.

Section 8. (a) After making payments into the Operation and Maintenance Fund and the Prior Bond Fund, there shall be paid from the Revenue Fund into the Bond Fund the sums in the amounts and at the times described below for the purpose of providing funds for the payment of the principal of and interest on the 1993 Bonds, the 1996 Bonds and the bonds, as they mature, with trustee's fees for each issue, and as a debt service reserve.

(b) There shall be paid into the Bond Fund on the first business day of each month, until all outstanding bonds, with interest thereon, have been paid in full or provision made for such payment, a sum equal to (i) 1/5 of the next installment of interest on the 1993 Bonds, the 1996 Bonds and the bonds plus (ii) 1/10 of the next installment of principal of the bonds, the 1993 Bonds and the 1996 Bonds. Once the debt service reserve in the Bond Fund (the "Debt Service Reserve") shall reach an amount equal to the average annual debt service requirement on the 1993 Bonds, the 1996 Bonds and the bonds, the monthly payments into the Bond Fund may be reduced to (i) 1/6 of the next installment of principal of the bonds, the 1993 Bonds and the 1996 Bonds plus (ii) 1/12 of the next installment of interest on the 1993 Bonds, the 1996 Bonds and the bonds, but thereafter, if the Debt Service Reserve becomes impaired, increased payments of 1/5 and 1/10 shall be resumed until
